

Respite Days Payment Form 2021 - 2022

Respite Days funds are no longer utilized for individuals eligible for the Lifespan Respite Support Program. They may be used for individuals on a program that does not cover payment to Community Organizations or by someone denied for respite by the Lifespan Respite Subsidy Program. You must contact the Respite Coordinator prior to utilizing funds. As always, providers must be approved as network screened providers prior to becoming eligible for payment.
